

Help for people in disasters.

In Nepal, a Disastrous Earthquake has hit. It has killed over 5,000 people and has left thousands homeless, starving, lost, sad and dehydrated.

In the UK, we have donated over 15 million pounds to charity's trying to relive the people and sort out the

By Ellie Campbell

Problem in Nepal. The money raised has helped make house for some of the people such in the problem. Since it is such a hard job to provide for Everyone, for the people who arnt getting a house yet shall be given a tent. Emergency food and water supply's too. So please donate now. Thank you.
